QXP
PLAN. TEACH. REPORT.

Four packages. Each includes the one before it.

IN EVERY PACKAGE

The teacher's professional documents — schemes of work, lesson plans, lessons, assessments and the record of work — and formative and summative insights, from scheme of work to report card.

Core

KES 499

per user, per term

KES 424 a term, paid a year ahead

The teaching chain, from scheme of work to report card.

INCLUDES:

- Schemes of work and lesson plans from KICD designs
- Timetable-linked lessons and the record of work
- Attendance and lesson-level registers
- Formative and summative assessment, EE1 to BE2
- Report cards with HOD and principal approval
- Formative and summative insights
- Parent app and teacher-parent diary

Plus

KES 749

per user, per term

KES 637 a term, paid a year ahead

Teaching plus pastoral care and admissions.

EVERYTHING IN CORE, PLUS:

- Discipline: merit and demerit
- Library and digital textbooks
- Health and the sick bay
- Teacher-on-duty rota
- Admissions, applications to enrolment

RECOMMENDED

Whole School

KES 999

per user, per term

KES 849 a term, paid a year ahead

Run the whole school on one record.

EVERYTHING IN PLUS, PLUS:

- Clubs, sport and activities
- 360 Awards
- Fee billing, statements and M-Pesa reconciliation
- Boarding, optional: same price, day or boarding

Add-ons, each on its own count

On Core or Plus: Fees (invoicing and M-Pesa collection) at KES 149 per learner, or Accounts (fees plus the books and retail) at KES 199 per learner (KES 50 on Whole School, the books part only), and ECA (clubs and activities) at KES 99 per learner. On any package: People (HR, payroll, appraisal) at KES 450 per staff member and Transport at KES 300 per learner on transport. Per term.

Priced per user per term. A user is a learner or a member of staff. Parents are free.

All prices include 16% VAT. 5% off two terms paid ahead, 15% off a full year.

No setup fee and no per-campus charge. WhatsApp and SMS are charged at what the messages cost.

See it on a seeded school.

Prices valid for 2026. Every capability listed is one QXP can demonstrate.
